Standard | Premium

## Your name as a brand – with your own care range

Brands create confidence and stand for individuality. Use your good name as a brand name. We make it possible.

You act as competent system supplier. You distinguish yourself from others. With your own custom-made care range, that offers everything your customer needs.

With cedis [my.name] you create confidence and lasting customer relations.

### Attractive

Attract your customers' attention with your own design with cedis [my.name] and thus create a profitable additional business.

### Individual

Your name as a brand – create your own reliable brand.

### Flexible

Order the products according to your demand, with a minimum order quantity of only 50 pieces in the my.name Standard line, with short handling time.

## cedis [my.name] Standard

For customers with an existing care program.

You are already successfully selling care products on the market. You require individual products, adjusted to your company appearance. You want high quality with flexibility.
